

Chapter 11
Even More, From Now On

Entry
No. 15—...

Well...
The results
were like this
though.....

...And those
are all the
prize-winning
bands!

Eh...?

They're
joking,
Right...?

BUZZ

BUZZ

Wait.....
So Roselia
didn't get
through?

I heard
they were
a crowd
favorite to
win it...

We...

.....failed...?!

All other
bands and
everyone
who came
today.....

For those bands
who would like a
critique of their
performance,
please wait in
the anteroom
and ask later.

.....W-
Why...?

YUKINA-
SAN,
THIS.....

THIS
CAN'T BE
RIGHT...!

It was a
magnificent
performance.

In fact, it was
close to the
highest level of
the main event
performances.

It says here
that it hasn't
been long at
all since your
band formed.

Why...
didn't we
make it?

.....IN
That
case,
why?

Right.

Even so...
I don't think
the amount
we've
practiced is
any less than
the other
bands.

But rather,
"win" naturally
and play on the
main stage.

...That's
exactly why

we don't want
you to just
"win a prize"
and perform
in Fes...

—!!

We're working
to promote
the growth of
this genre.

You understand
that **FUTURE
WORLD FES**
isn't just any
festival, right?

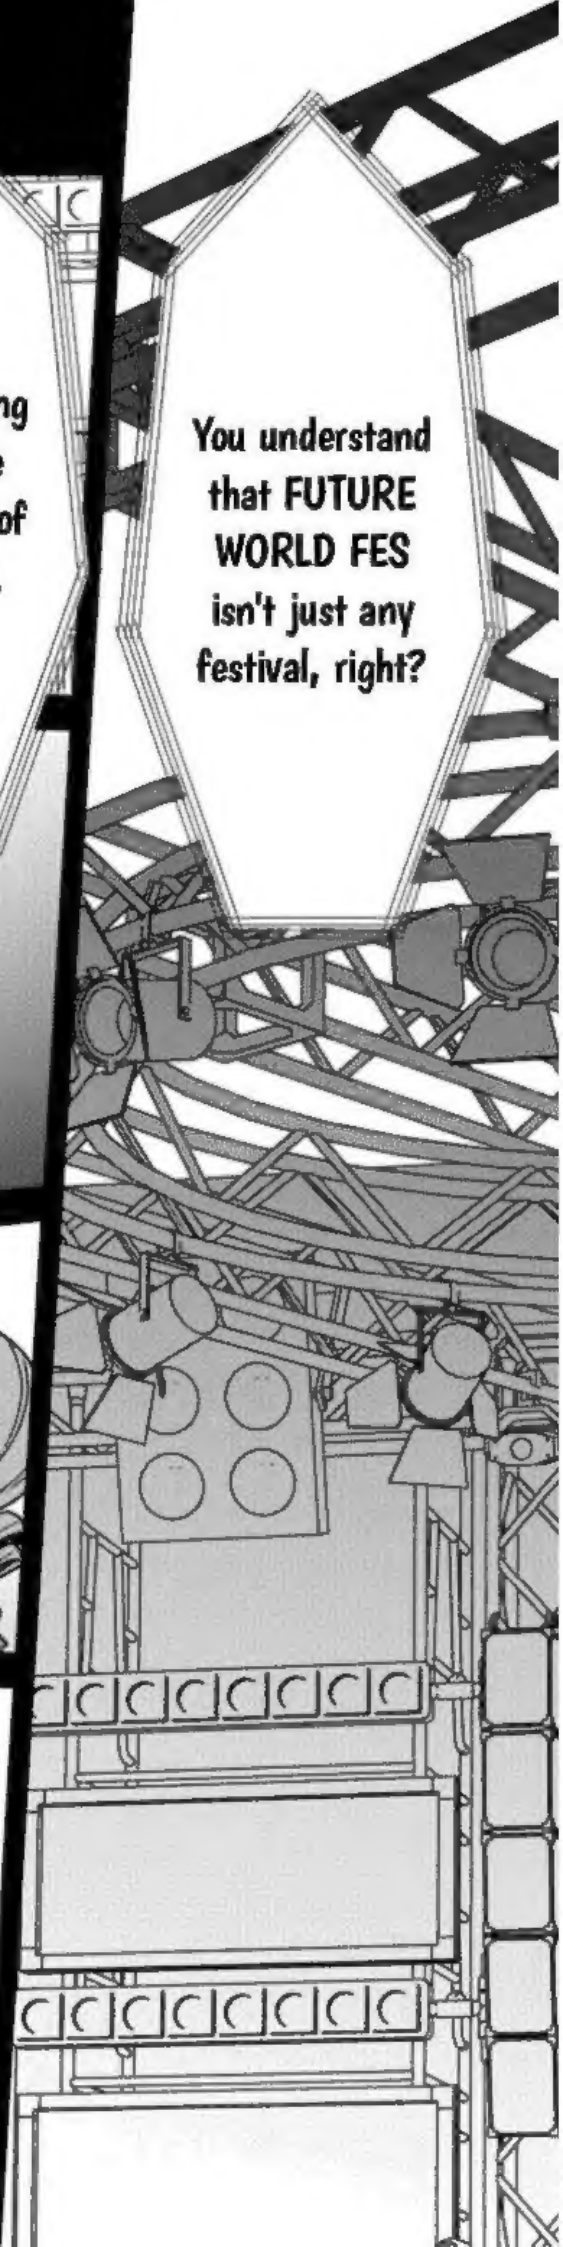

You're all
still young
and have
great
visuals...

You're sure to
become the
next sensation.

However...

For the sake
of this genre,
that shouldn't
be "now".

Even though
you've only
formed
recently,
you've still
managed to
impress us
this much...

Roselia.

You still
have so much
potential and
room for
growth...

please come
and show us
how much
you've grown.

next year,

That's why.

Thank
you for
waiting!

I don't think
that's too
bad at all.....

...We were still
acknowledged
even though we
didn't make it
through.

Here are
your double
hamburg
steaks,
deep fried
prawns

and chicken
steaks with
large servings
of rice and
desserts.

Yay!

*Chomp
chomp*

they
should let
us win and
expand our
activities...

Me neither.
If they want
this genre
to grow,

*Chomp
chomp*

...But I still
can't accept
this...

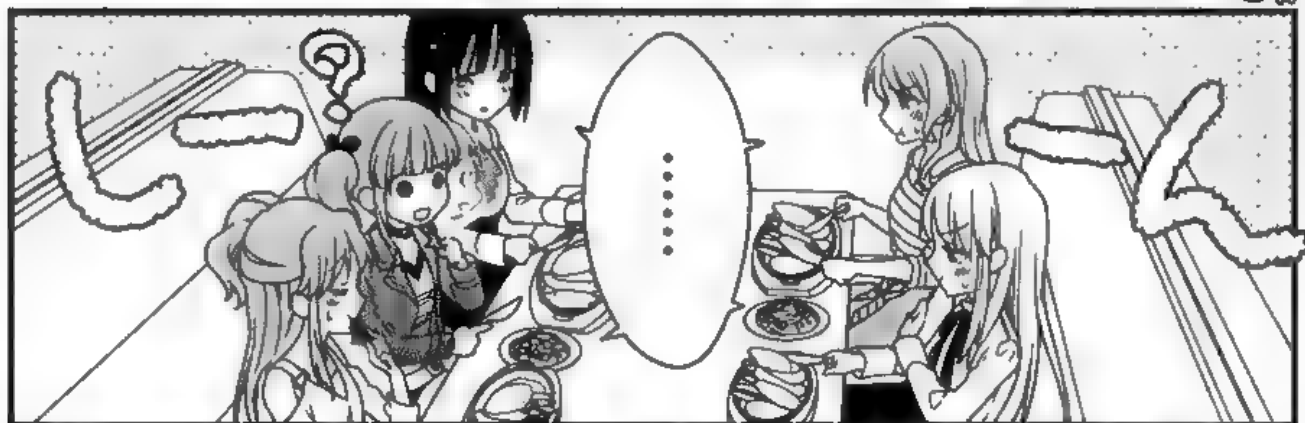

I'm not
even
bothered
by it
anymore!

But,
I had so
much fun!

I
I do think
it's super
frustrating...

Silence

Me too...
It was the
most fun
I've ever
had....

Ah...

...I kinda
get...
that...

But you two
had fun as
well, right..?

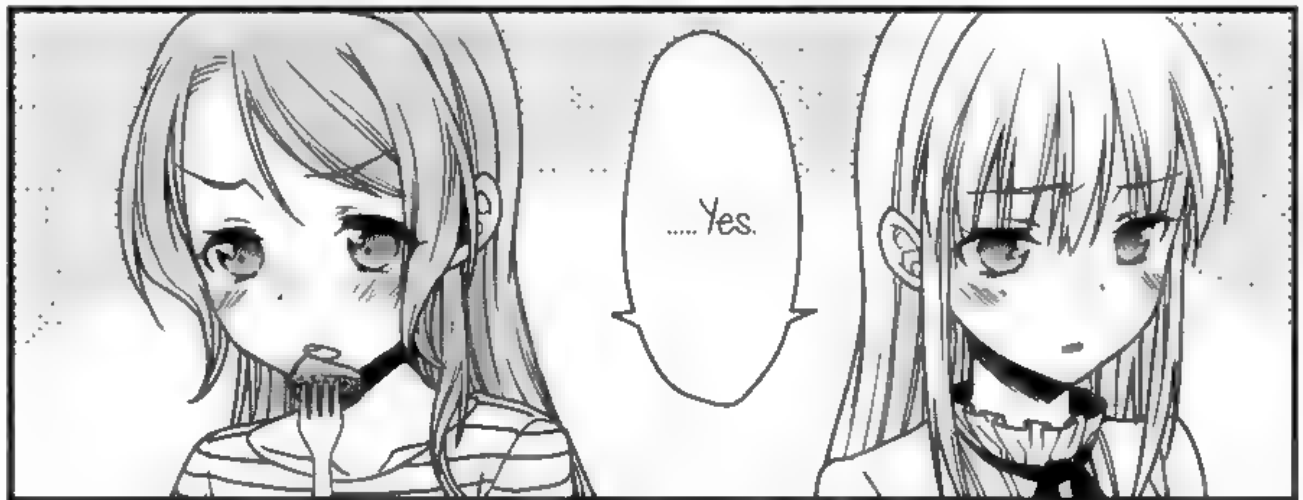

Roselia
should be
dedicated to
pushing our
music to the
extremes.

She's
right

What do
you think
we've been
practicing all
this time
for..?

You
three

....Yes.

I've... been
doing this for
my father's
sake the
whole time.....
but while I was
singing on that
stage, I couldn't
even think of
anything else...

However,

on that
stage that
my father
couldn't.

I can't
acknowledge
myself until
the day I
can sing

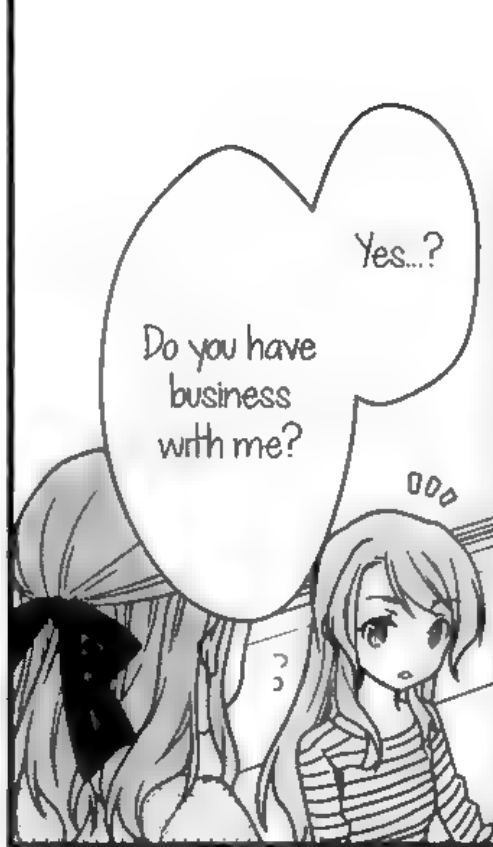

no matter
how much
I'm
acknowledged
by other
people..

...Me too...

Yukina...

Do you have
business
with me?

Yes...?

Um,
excuse
me.

I've come this
far only thinking
about how I
don't want to
lose to Hina...

.....Yes,
I am.

We
thought
you look
just like
her so...!

Um, are you by
any chance the
older sister of
Hina-chan from
Pastel*Palettes?

Gulp

Th-
thank
you so
much!

Kyaa!

So it is
true that
she has a
sister!

Sayo..

...I'm the
same as
Minato-san.....

I can't run
from the fact
that I have a
younger sister...

...But,

perform in
FUTURE
WORLD
FES with
everyone
here

I really...
do want to

M-Me
too

...The time
we've
spent until
now aiming
for that...

...has been
incredibly...
fun

Ahaha!

AH!

A-Ako
-chan...
I said to
keep
that a
secret...!

You've
already
started
thinking
about our
next
costumes
as well,
haven't you!

Until Yukina
can smile
when
talking about her
father, I will...

I've started
to understand
what it means
to have 'my
very own cool.'

After thinking
about what
Sayo-san said
from before...
Today, I feel
like...

You know...

**That's
what
I've been
thinking!**

we might
really be able
to win....

I think that
if I can fully
understand it,

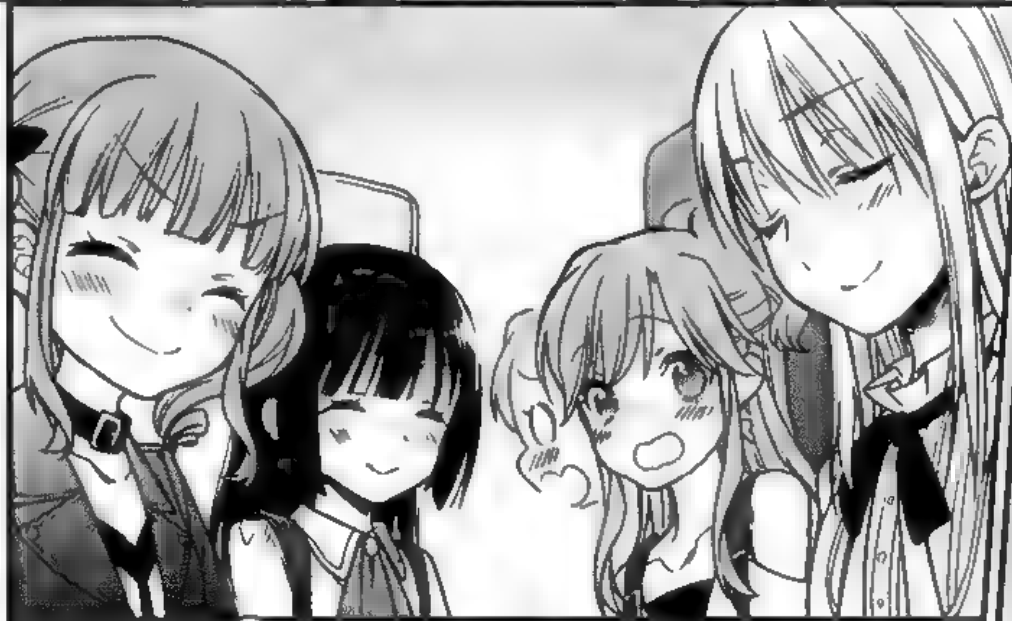

you're
right.

...Yes.

And we're
going to
win it.

...I think that's
something we
can all agree on.

...hehe!

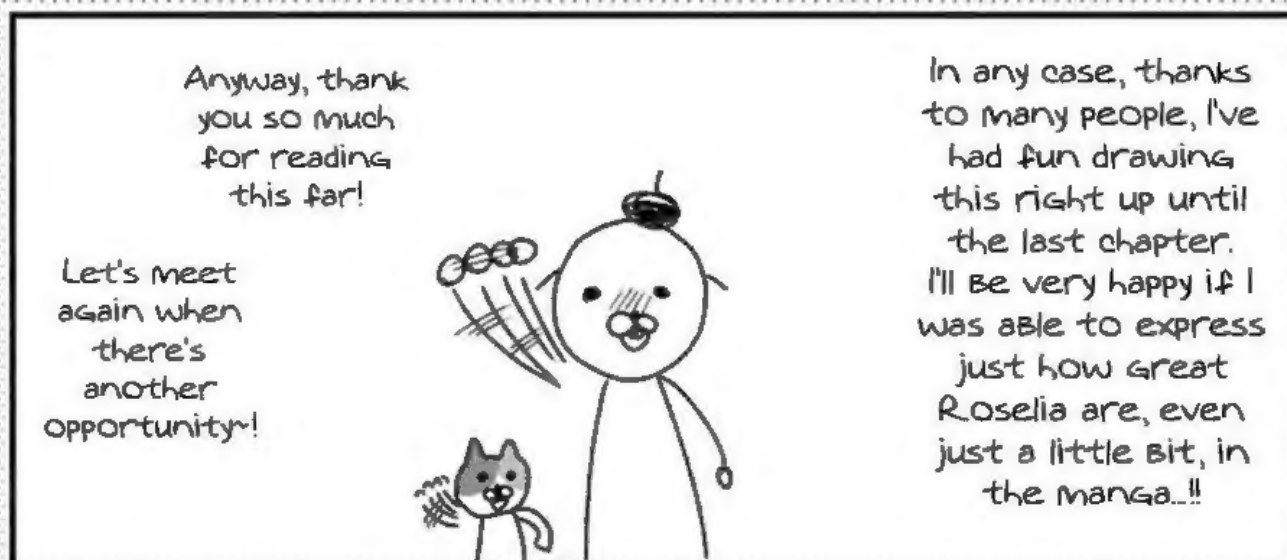

People who
want that
can leave
the band
immediately.

Roselia
doesn't
need people
who just
want to be
friends...

No.

Bonus
Pastel*palettes
This is what I drew when I had
a wild idea of wanting to see
them in Pastel*Palettes
costumes~!!!!☆
